

Resolution S14-011: To endorse a proposal for extended library hours

Sponsors: Michelle Kriner Lauren Tilton
 Representative, Microbiology Representative, American Studies

Whereas graduate students consistently provide GSA with feedback asking for extended library hours,

Whereas many graduate students do not have access to 24/7 study space on campus,

Whereas libraries at other Ivy League universities and MIT are open significantly more hours per week than Yale's,

Whereas extended library hours would improve access to Yale's world-class resources for the purpose of scholarly research,

Therefore be it Resolved that the Graduate Student Assembly endorses the Library Hours Proposal and approves it for use in advocacy to Yale administrators.
